

International Logistics

Transporting print media – a key time-critical operation

Many national and international publishers, printers, organizations and companies use our extensive know-how to deliver their publications all over the world – reliably, punctually and cost-effectively.

Our solution

We send your print products on time in the whole world:

- Newspapers
- Journals
- Magazines
- Customer magazines
- Catalogues
- Brochures
- Company reports
- Annual reports
- etc.

- With our many years of experience and our global network, we know the right forwarding partners for your requirements.
- We offer additional services such as packing, delivery date coordination, customs clearance and advice on VAT issues.
- On request, we can prepare all transport documentation and produce shipping addresses in a variety of formats.
- Naturally, we track your shipments all the way from the ramp to the recipient and provide you with proof of delivery if you wish.
